

Business and Commercial Litigation

Long-Range Litigation Strategies for Businesses

From fast-moving injunction proceedings to large and complicated business cases, clients bring their high-risk business disputes to Thorpe Shwer. We are top-tier litigators capable of resolving complex legal issues that have company-wide significance for our clients. Cognizant of the stakes at risk from the business end, our litigation team employs a forward-thinking approach in developing and executing strategies that protect and advance our clients' business interests today and into the future.

Although we are a Phoenix-based civil litigation firm, Thorpe Shwer has a nationwide footprint, litigating business disputes before judges, juries, and arbitrators in state and federal proceedings throughout the United States. Our attorneys have substantial experience representing clients of all sizes, ranging from Fortune 500 companies and mid-size corporations to privately held and family-owned businesses. We understand our clients' industries and operations and build customized litigation strategies that meet their specific needs and demands.

Litigating a Broad Array of Business and Commercial Disputes

The business and commercial litigation attorneys at our firm harness decades of collective experience to develop consistent approaches to litigation issues system-wide. Our subject matter experience is broad and deep and includes the following:

- [Class Action Defense](#)
- [Construction Litigation](#)
- [Contract Disputes](#)
- [Franchise Disputes](#)
- [Healthcare Litigation](#)
- [HOA Disputes](#)
- [Indemnity Claims](#)
- [Insurance Coverage and Bad Faith](#)
- [Intellectual Property Litigation](#)
- [Non-Competition Agreements and Restrictive Covenants](#)
- [Real Estate Litigation](#)

Delivering Individualized Solutions for our Clients

Keenly aware that one size does not fit all when it comes to business or resolving disputes, our attorneys provide individualized support and advice throughout the litigation process, including selecting and implementing the most

cost-effective form of dispute resolution possible. Our lawyers are creative thinkers with substantial experience leveraging cases for a negotiated resolution. We are also prepared to aggressively litigate business disputes in court when it is in our clients' best interests.

Our legal team is also cognizant that litigation expenses are often a substantial concern for the businesses that we serve. Our flexibility, size, and extensive experience provide a significant economic advantage allowing us to deliver top-notch representation that meets our clients' business goals and their bottom lines.
