Contract Disputes

Contractual agreements are an integral part of the operation and success of any business. The legal team at Thorpe Shwer consists of seasoned trial lawyers with decades of experience litigating and effectively negotiating favorable resolutions to our clients' complex contractual issues. We are well-positioned to assist clients of all sizes across various industries, including large national franchisors, financial service organizations, homeowners' associations,

moving and transportation companies, industrial suppliers, and railways. Our attorneys understand our clients' diverse needs and expectations and offer subject matter experience in a wide variety of contractual disputes, including those related to:

- Franchise agreements
- Shareholder distributions
- Financial Services agreements
- Real estate contracts
- Homeowners' association disputes
- Professional and other employment agreements
- Indemnification
- Moving and storage disputes
- Lease agreement disputes
