Indemnity Claims

Although all litigation is complicated, litigation involving matters of indemnity presents additional unique challenges. Thorpe Shwer's accomplished attorneys routinely deal with contractual and common law indemnity matters. Whether enforcing the rights of an indemnitee or defending those of an indemnitor, our attorneys bring an unparalleled level of attention to detail required to obtain the best outcome for our clients. We are committed to

working with our clients to maximize protection and minimize risk when indemnity issues are present in any context, whether commercial, financial services, franchising, construction, or insurance.
